REACHING THE U.S. MILITARY FOR CHRIST

JUDE 22 AND OF SOME HAVE COMPASSION, MAKING A DIFFERENCE

February 2012

Luke 14:23 And the lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled.

The only thing I love more than going out soul winning is leading someone to the Lord while out soul winning. About three weeks ago, my son Donny and I were knocking doors in a certain apartment complex. We knocked on a lot of doors that day, with many people not being home or just not answering. Most people that did answer their doors were too busy doing something at the moment and didn't have time to talk. Trying not to be discouraged, we continued to knock on more doors. We walked up to a door and we could hear people talking and laughing in the apartment so , we knocked on the door. A lady answered the door, whose name was Nicole. We talked with Nicole at the door for a few seconds and I started to talk to her about the Lord. As we were talking, I could see 3 other ladies sitting inside and listening to us talk. It was chilly that morning, so I asked Nicole if it would be ok if we came inside so we could close the door and she could save some heat. She agreed and let us in. Nicole's living room was set up in such a way that all the ladies were in a semicircle in front of me. I introduced Donny and myself and told them a little about our church. Then I asked them if they were attending a church. Although all of them grew up in church, not one of them were actively attending a church now. Two grew up in a Baptist church, one in a Seventh Day Adventist church, and one as a Jehovah's Witness. I asked each one separately what they believe would take them to Heaven. I received different answers from all of them. I stood there and opened my Bible as if I were getting ready to teach Sunday school at church and not standing in a stranger's living room. I asked one of the ladies if she would read the verses as I pointed them out to her and she agreed to do so. She read, and I explained the verse while also giving illustrations. I walked them through the plan of salvation. They asked many questions and I explained. Then we compared what they were trusting to what we just read in the Bible. Each one admitted that they would die and go to Hell. I asked each one separately if they wanted to trust Jesus as their Saviour. All four ladies bowed their heads and each one of them prayed asking Jesus to save them. It was a very emotional time for all of us. We stayed for a while longer answering other questions they had about the Bible. Please pray for Shante, Bianca, Jennifer, and Nicole. Pray for their spiritual growth and that they would come to church

Please pray for Lou Anne she is scheduled to be operated on March 13, for her 2<sup>nd</sup> Cochlear implant at the Bethesda Navy Hospital in Maryland. Pray for her travel, the operation, no side effects, and then her follow-up appointments.

Please pray for our troops and their families around the world and here in the states. Making the military a career is much harder than it used to be. This puts a lot of added stress on military families as many are getting forced out of the military because of downsizing. Pray for the safety of our troops and that they are reached with the gospel of Jesus Christ.

In Christ,

Brother Chris War and family
