REACHING THE U.S. MILITARY FOR CHRIST

JUDE 22 AND OF SOME HAVE COMPASSION, MAKING A DIFFERENCE

January 2012

2 Timothy 2:15 Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

Most of the people in our church have been saved for less than 2 years. At the end of 2010 I encouraged our folks to read through the entire Bible in 2011. We had several people that were faithful and completed the total Bible last year. During the year we would give testimony about what we had read that week in the Bible. Those that were reading through the Bible seemed very excited about what they had learned. I believe that excitement encouraged others in our church to read their Bibles more. Many of those that read through last year have started reading through again this year. Also there are several other folks in our church that have joined us in reading through the Bible this year. I think we have about half of our church reading through the Bible this year. It will be exciting to hear them talk about what they have read and learned during the upcoming weeks. It will also be exciting to see them grow in the Lord as they read, learn, and apply God's word to their lives. We have had a number of visitors this past month and several saved. Four of those who were saved have been coming to church for awhile. We have talked with them in past about salvation during Sunday school and Jr. Church. We did not push them to make a decision but let the Holy Spirit work in their hearts. Three weeks ago, on a Sunday night, and during the invitation, all 4 young people raised their hand signifying that they were lost and needed to be saved. I sent a couple to deal with each one separately and all 4 trusted Jesus as their Saviour. That same week we also had one of our ladies that home schools lead her son to the Lord. We now have 7 people that have been saved in the past few weeks and will be baptized soon. Some of our most faithful families will be transferring this year. These include Sunday school teachers and Jr. Church leaders as well as and those that go out soul winning. Our church was the first church that these couples worked in the areas of teaching and preaching ministries and have done a great job. Although I know we have trained them to work in their next church, we need mature Christians to replace them. We also have another couple ready to choose orders and may transfer in September. We are out every week going door to door soul winning. When a person gets saved it takes awhile before they can teach a Sunday school class. Please pray that God will send us some spiritually, mature Christians to help in our church, very soon, to replace those who are leaving. Please pray for the salvation of our military and government leaders. Please pray for our troops and their families around the world and here in the states. Pray for the safety of our troops and that they are reached with the gospel of Jesus Christ. We look with expectation of how the Lord will use our family and our church this year to reach the military and our area with the gospel of Jesus Christ. We pray that God would bless you and your churches this new year. We also pray that you will see many souls saved and added to your churches in 2012.

In Christ,

Brother Chris War and family
