

June 2010

Acts 2:47 Praising God, and having favour with all the people. And the Lord added to the church daily such as should be saved.

It was another exciting month at Freedom Independent Baptist Church. God continues to build our church, we have had a number of visitors and have seen a number of people trust Jesus as Saviour. Two week ago, I had the privilege to baptize four new converts, and they were added to the church.

We had our fourth, annual Memorial Day picnic at the town park. There were many other people in the park besides our church group. It was a blessing to see a number of church members walk up to strangers in the park, hand them gospel tracts, and some even took out their New Testaments and witnessed to the lost. One lady, Helena, who has visited our church, came to the picnic and we had the opportunity to sit down and talk about eternity. Helena grew up in church but never trusted Jesus Christ as her Saviour. We went through the scripture, she saw her lost condition and she told me she would die and go to Hell. Helena bowed her head and trusted Jesus Christ as her Saviour. We need to have another baptism very soon.

Pastor and Mrs. Chris Parker, missionaries to the Military in Japan, were with us last Sunday. Pastor Parker was the Pastor of Bethel Baptist Church in Rota, Spain where Lou Anne and I were saved. Pastor Parker was our first Pastor and we were under his preaching for 3 years. God used Pastor Parker in a great way in our lives and in the lives of many military families throughout the years. I thank God for the Parkers and their devotion to Jesus Christ and to their commitment to win our military to Christ.

Please pray for the Mayport area. It is a very wicked place that has a lot of alcoholics and drug addicted people. The unemployment rate in the Jacksonville area is around 12% and there are also many homeless and needy people. Sailors are very often influenced by the area where they are stationed. Please pray that we can reach those sailors and their families who are stationed here.
