

WAR CORRESPONDENCE

REACHING THE U.S. MILITARY FOR CHRIST

JUDE 22 AND OF SOME HAVE COMPASSION, MAKING A DIFFERENCE

March 2012

Acts 20:20-21 And how I kept back nothing that was profitable unto you, but have shewed you, and have taught you publickly, and from house to house, Testifying both to the Jews, and also to the Greeks, repentance toward God, and faith toward our Lord Jesus Christ.

Last month, I promised God that I would go soul winning everyday for 40 days. There have been several folks from our church that would go soul winning with me on different days. I started on February 13th and to date, March 5th we have seen 17 people saved and many first time visitors at church. Room will not allow me to write in this letter all of the wonderful accounts of those that trusted Christ. But I will share a couple.

I was soul winning in a apartment complex and met a man named, Anhtuan. Anhtuan had just got home from work and was just getting out of his car. I stopped and started to talk with him and quickly got on the subject of the Lord. Anhtuan told me he grew up in church and when he was a teen got saved. After he got saved he was very active in the church teen group. He told me he spent 9 years in the Navy and drifted from God and hasn't gone to church in a long time. Then I asked him how does a person get saved. He told me that you have to repent and live like a Christian. I asked him if I could share from the Bible what God's word says about being saved. He said yes and seemed very interested to hear from the Bible. The Holy Spirit opened Anhtuan's eyes and he saw that he was lost and needed to be truly saved. We bowed our heads and he trusted Jesus and Jesus alone to take him to Heaven.

In the same apartment complex I met a man named Robert. I remember talking to Robert a couple of years before, along with his wife Nancy. Nancy had trusted Christ on the previous visit but Robert was not interested in hearing the gospel. Nancy and their 2 boys came to church for awhile untill they moved. This time, speaking to Robert was much different. He was actually interested this time. We sat in Robert's living room, along with his wife and 2 sons. They all listened on as I went through the scripture. Robert told me that he wanted to trust Christ. We prayed together and Robert trusted Jesus as his Saviour. They were in church the next Thursday and then again on Sunday. Sunday after church, I went to follow up with Robert and his family. I wanted to talk to their 2 sons about Jesus. The boys, Andrew 12, and Daniel 10, sat with me as I went through the gospel again. Andrew said, "Pastor I prayed when my dad did and I am trusting Jesus to save me." I explained what sin is, where it came from, and the penalty. I asked Daniel questions making sure he understood. He said that he does understand and he also wants to trust Jesus to take him to Heaven. We prayed, and everyone seemed to be very excited, myself along with them.

Lou Anne will be leaving Friday for Maryland to have her 2nd Cochlear implant operation which is scheduled for March 13, at the Bethesda Navy Hospital. Please pray for her travel and the operation. That it is a successful operation with no side effects.

Please pray for our troops and their families around the world and here in the states. Making the military a career is much harder than it used to be. This puts a lot of added stress on military families as many are getting forced out of the military because of downsizing. Pray for the safety of our troops and that they are reached with the gospel of Jesus Christ.

In Christ,
Brother Chris War and family
