

May 2010

Galatians 6:9 And let us not be weary in well doing: for in due season we shall reap, if we faint not.

On May 2nd, we celebrated the 4th anniversary of our church. For the past 4 years we have been faithfully knocking on doors, witnessing to the lost, inviting people to come to church and passing out tracts everywhere we go. But still we see few visitors. It is true that if we are faithful God will bless us and we will reap the fruit of our labors. From January 2010, through March 2010, we lead 10 people to the Lord. But then, in the past 3 weeks, we have had a bunch of visitors and 8 people saved. Two were saved while knocking on doors and the other 6 were visitors who were saved at church. Praise the Lord!!! We are still trying to get a larger place to have our services. It will cost more monthly for us to rent a building than to buy one. Please continue to pray for this great need.

Here is a recent photo of some of our church folks. It is impossible to have everyone at church at the same time because there are always those sailors who have duty or are on deployment.

Please pray for our daughter, Meghan. Since her car accident in February she has received a number of medical bills, all of which she is responsible to pay. Her medical debt is upwards of \$100,000.00 which is much more than she could pay back even in her life time. She has been a great blessing to our ministry playing the piano, working with the children in Bible club and always serving anywhere I need her. She is 24 years old, single, living at home, working part time, and trying to finish college. Meghan has a bright future ahead of her but it is over shadowed by this huge debt. Please pray about this matter asking God if and what you could give to help relieve this financial burden. If each church that receives this prayer letter would give something to help Meghan it would be greatly appreciated by our family.

Please send love offerings to : Freedom Independent Baptist Church

Please continue to pray for the lady in our church that is pregnant with her baby who has many physical problems. The baby is not expected by doctors to live, but we all know that God is in charge. Please pray for the sailors and their families here in the Mayport area, that we can reach them with the gospel of Jesus Christ and then train them to serve Him.
